

**HOLT COUNTY SOIL & WATER CONSERVATION DISTRICT**

**Upon the recommendation of Governor Jay Nixon, and to support the October 31, 2014 major disaster declaration FEMA-4200-DR, the Missouri Soil and Water Districts Commission has approved \$500,000 to assist with reconstruction of soil and water conservation practices currently under a State Cost-Share maintenance agreement, or for new practices required to control erosion as a result of storm damage from severe storms, tornadoes, straight-line winds and flooding that occurred September 9-10, 2014 in the 20 counties designated in the declaration. Holt County is included in the declaration.**
